

LETTER OF PERMISSION

This letter grants the undersigned permission to enter onto the Fergusson Property, provided that entry onto said property is for one or more of these specific reasons:

- * Visitation to caves on property.
- * Visitation to caves on adjacent property or in area and access is provided across this property.
- * Any other cave related activity deemed reasonable by the Owner of the Fergusson Property.

The undersigned understands that this letter of permission must be available for inspection by the owner(s), lessor(s), or their designated agent(s) while the undersigned is on the property. Parking a vehicle on the property in a designated area is permitted provided that a copy of this letter is clearly displayed through the windshield, along with information concerning your trip and length of time anticipated below ground and/or above ground.

Furthermore, the undersigned, in consideration of being granted permission to enter onto said property, agrees to release, and forever discharges the owner(s) and lessor(s), and their agent(s) of all liabilities related to incidents, accidents, personal injuries, property damage, or losses occurring on or under the property. The undersigned also agrees to be totally accountable and legally responsible for anyone else that accompanies the undersigned onto the property. The owner(s), lessor(s), and their agent(s) are not responsible for these accompanying individuals beyond the legal limits extended to those that have not been granted permission. It is the responsibility of the undersigned to determine the current status of the property before entering onto it.

One week advanced notice is required for all trips. EMAIL or CALL 317-781-1996 and leave message and phone number. Also, leave word with someone about your plans and time of stay.
